Specifications			
(See Individual Product Owners Guide for full Specifications)			
Model Number	PSRM-5012NFP	PSRM-2524NFP	PSRM-1248NFP
Output Voltage	13.8VDC	28.0VDC	55VDC
Output Current	50A	25A	12A
Efficiency	89%	90.50%	92%
Input Voltage	90~264 VAC auto ranging, 47~63 Hz		
Operating Temp Range	-30 to +70C / -22 to +158F		
Dimensions	3.5" H x 19" W x 13" D		
Shipping Weight	14 lbs.		
Warranty	3 Years Repair or Replace		

Product Pricing Information
